

Affordability calculator

Find out how much your client could borrow

Latest version 28/10/2018

Results

The maximum we can lend your client is: **£541,081**

The amount is only an indication of how much we may be able to lend; it is not an agreement to lend. Consideration of a mortgage application would be subject to our mortgage lending policy and a credit check where the outstanding credit commitments will be considered.
